

## Veterans Support Services

Megan Curtis

Submitted by Kyle Rasmussen

I am writing this letter of recommendation on behalf of Megan Curtis in support of her being this department's Outstanding Student of the Year. Megan has displayed a very mature, motivated and conscientious attitude toward her academic goals and life in general. Currently Megan is holding a grade point average of a 3.36 as a biology major.

As a veterans peer advisor, she goes above and beyond to mentor and assist students in the SBCC Veterans Support and Resource Center. This was acknowledged when she was asked to apply and was accepted to be a work studies student with the veteran's department. Megan encourages other veterans and dependent students to pursue and complete their education by being an excellent role model. She is definitely a leader with potential to achieve greatness.
